KIT-Campus Süd, International Department GmbH
Schlossplatz 19, 76131 Karlsruhe, Germany

Ms. Miriam Sonnenbichler
Graduate Office

Karlsruhe Institute of Technology
Helmholtz International Research School for Teratronics

Opening Ceremony

Thursday, May 3, 2012, Lecture Hall NTI (Building 30.10, Campus South)

HELMHOLTZ INTERNATIONAL RESEARCH SCHOOL FOR TERATRONICS

Opening Ceremony of the
Helmoltz International Research School for Teratronics

Thursday, May 3, 2012

2 - 5 p.m.

Lecture Hall NTI, Building 30.10
Karlsruhe Institute of Technology, Campus South
Engesserstraße 5
76131 Karlsruhe

Program

- **2 p.m. Opening & Greetings**
Prof. Michael Siegel
Dean of department for Electrical Engineering and Information
Technology, KIT

- **2:05 p.m. Speech of the Teratronics Coordinator**
Prof. Dr. Jürg Leuthold
Institute of Quantum Photonics/ Institute for Microstructure
Technology, KIT

- **2:20 p.m. Scientific Talk I:
Integrated Circuits for Industrial Wireless Sensing Applications**
Prof. Dr. Robert Weigel
Friedrich-Alexander Universität Erlangen-Nürnberg, Chair for
Technical Electronics

- **3:00 p.m. Scientific Talk I:
Terahertz Sensors for Space and Sub-orbital Radio
Observatories**
Dr. Alexander Karpov
California Institute of Technology

- **4:00 p.m. Reception**

It will help us organizing the reception if you register latest by April 27, 2012, and let us know if you can attend. Register online:
